You should expect to receive your refund within four weeks of giving your package to the return shipper; however, in many cases you will receive a refund more quickly. This time period includes the transit time for us to receive your return from the shipper (5 to 10 business days), the time it takes us to process your return once we receive it (3 to 5 business days), and the time it takes your bank to process our refund request (5 to 10 business days). We'll notify you via e-mail of your refund once we've received and processed the returned item.

Items that are opened or returned more than 30 days after delivery will receive a partial refund.

If you need to return an item, please contact us at info@esteemnow.com for instructions prior to mailing your return.

We do not except items that have been personally autographed to a customer as it is considered damaged and unsalable.
